To

The Secretary to the
Government of Mysore
Muzrai Department.
Bangalore.

Sir,

With reference to your Rubkari No 493 dated 25th September last, I have the honor to state that in my opinion it is better to take the Chatram and the lands attached thereto under Government management.

2. I submit herewith a revised estimate for Rs 177/- received from the Amildar for repairing the Chatram. The Amildar reports that during your inspection you remarked that these repairs were very necessary.

3. The Amildar proposes to meet the cost of repairs by the sale of bamboos &c. that are in the lands attached to the Chatram and that

Koppada

Koppada Puttappa a resident at Koppa village about 4 miles from Bamneghatta, should be appointed a Dharmadarsi. This individual has built a chatram by the side of the one under correspondence, owns a Rayergutta village called Sivanahalli, which adjoins the chatram lands, and people call him Dharma Karta of the Temple.

4. The Amildar prefers Puttappa to Naranasetti, who resides at Bangalore and who is not known to take much interest in the institution.

5. The entire vernacular record together with the Amildar's report No 33 is submitted for reference.

I have the honor to be,
Sir,
Your most dutiful Servant,

Deputy Commissioner.
